

TOUR 3

AN ELECTRIFYING LOOK AT KRAKOW

123 Churches, 60 museums, countless palaces and fine buildings, over 6,000 listed buildings.

Experience the authentic atmosphere of Krakow and its vibrant culture.

This is a city you will fall in love with at every street corner.

How to visit the city without skipping or missing the most important things ?

Get on our electric buggies and experience the life of the city, visit wonderful places and listen to fascinating stories. A tour in our buggy is a unique, stress-free, way of visiting Krakow and it will save your legs too. What's more, you will be accompanied by the city's best guides.

We are:

- **PROFESSIONAL:** The commentary on the history of Krakow which you will hear has been put together by professional, licensed guides. Their vivid accounts will take us back to Krakow's Golden Age. You will hear tales from them of unexpected turns of fortune, triumph and despair, victories and defeats, power and money, traitors and poisoners, together with secrets from the royal throne; but at the same time you will hear tales of its spiritual strengths and fervent religious beliefs.
- **ENVIROMENTALLY-FRIENDLY** (our vehicles do not emit pollution or noise)
- **WATER-PROOF** (transparent curtains will protect you against winds and rain)
- **FLEXIBLE** – we aim to meet your particular needs and desires. We will pick you up from any place in town.

DURATION: approx 3 hours

COST/person – 85 PLN, includes:

- Service of professional city guide
- 3 hours tour by a comfortable electric car
