

TOUR 8

AUSCHWITZ AND BIRKENAU.

No other place on earth is more significant in the history of humanity. Symbol of a tragedy of the Holocaust, silent witness to the unspoken horror of the most incomprehensible series of events of the Second World War. It is obvious that the tour cannot explain everything. However, it does tell the story of the vast concentration camp complex including Birkenau, with its factory of death. This is the story which should never be forgotten.
